

Sunshine Prosthetics & Orthotics adds fabrication services

January 13, 2015

Sunshine Prosthetics & Orthotics LLC of Wayne N.J. expanded its office facilities to add an in-house fabrication shop.

“Our team is so excited to be able to make the experience of having customized prosthetic and orthotic devices a more comfortable one for our patients,” **Brooke Artesi, CP, LPO**, owner of Sunshine P&O stated in a press release. “This new space will save the patient much time and allow us to customize the fit of these devices.”

In addition to the expanded space, Sunshine Prosthetics & Orthotics added a new oven in the fabrication shop and CAD/CAM scanner.
